Preface

About M³

The M³ framework is a collaborative effort between three key community institutions, namely the Islamic Religious Council of Singapore (MUIS), MENDAKI and MESRA. Together, they leverage on each other's strengths to better serve the Malay/Muslim community. M³ aims to empower citizens by supporting the last-mile service delivery of social programmes for families in need, rallying the community to help each other, and collaborating with Malay/Muslim organisations and government agencies to address the community's challenges.

About M³@Town

M³@Town is an informal platform for volunteers and professionals to work together to serve the needs of residents in the last mile. This also creates opportunities for people to volunteer in their neighbourhoods, regardless of background and abilities.

About M³@WGS

This office at Wisma Geylang Serai (Level 2) serves as a one-stop centre for integrated last-mile service delivery. In partnership with 8 Malay/Muslim organisations at Kurnia@WGS, the office also serves as an information and referral centre for the community.

Parents with Children/ Youth

1) aLIVE Centres

The aLIVE programme aims to develop soleh/solehah children who are nurtured with taqwa and good akhlaq, knowledgeable in Islam, become practicing Muslims, who show care and concern towards others. Our Mosque Madrasah provides aLIVE programme for young Muslims aged 5-20 years old. The word aLIVE stands for: Learning Islamic Values Everyday.

Conducted in the mosque, the programme allows our children to familiarize themselves with the mosque environment. During prayer times, children will be able to join the jama'ah.

Children are also taught the adab of entering the mosque. This cultivates a sense of belonging to the Muslim community at large. At the same time, accompanying parents can also join in the mosque activities. For more information, please refer to the website at www.learnislam.sg for the latest information on aLIVE classes or contact any of the mosques listed below:

4) Malay Activity Executive Committees Council (MESRA)

Set up in July 1988, the People's Association Malay Activity Executive Committees Council (PA MESRA) is the coordinating body of the 97 Malay Activity Executive Committees (MAECs) which are based at Community Clubs across Singapore. It serves to guide the MAECs to enhance outreach to the Malay community through a wide range of programmes and courses, promote active citizenry among residents and develop capabilities of community leaders. It also fosters inter-ethnic understanding and promotes racial harmony. PA MESRA unites the community and strengthen social cohesion. In addition, PA MESRA is one of the three institutions of M3, a collaborative effort with Muis and Yayasan MENDAKI to build a Community of Success.

5) PA SHIOK SERIES – Enhanced Outreach to the Malay Community through PA Courses

About PA SHIOK Series

'PA SHIOK Series' was launched in January 2018 with MESRA. Collaborating with an ever-expanding network of Malay Muslim Organisations (MMOs), industry experts and personalities, the carefully curated initiative offers customised courses to support the learning aspirations and interest of the community.

'SHIOK Series' of courses are refreshed thrice a year and every run will introduce trendy courses, co-curated by MMO, industry experts and personalities. The courses offer a diverse choice of courses from health and wellness, career related and interest based courses, to ensure there is something for everyone.

To complement the PA SHIOK Series, the SHIOK '555' Campaign allows residents to partake in five selected courses at just \$5 each at five locations. This campaign will be happening across different locations at various points throughout the year, and will be refreshed to include new and well-received courses, to meet the needs and interests of the community.

Search 'SHIOK' and sign up for new courses at www.onePA.sg
